GOWTHAM P

Data Analytics

+91 9843459675 | Hosur, Tamil Nadu | gowthampanneerpg5588@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Detail-oriented Data Analytics professional with hands-on experience in Power BI, Excel, SQL, spreadsheet analysis, data validation, KPI monitoring, data quality assurance, data review, data querying, data annotation, and stakeholder reporting. Strong analytical, decision-making, and communication skills with experience in reporting and root cause analysis.

CERTIFICATIONS

AI-Driven Data Analytics with Python, SQL, Excel & Power BI – Entri Elevate **December 2025 – October 2026**

Illinois Institute of Technology | Certified by Illinois Tech & Entri

- Earned certification covering Python, SQL, Excel, and Power BI through an industry-aligned curriculum; completed hands-on projects using real-world datasets.
- Built end-to-end dashboards and generated actionable insights to support data-driven business decision-making.

SKILLS

- **SQL & Data Querying:** MySQL, SQL queries, joins, aggregations, data querying
- **Excel & Spreadsheets:** Advanced Microsoft Excel, PivotTables, XLOOKUP, data cleaning, data validation
- **Visualization & BI:** Power BI Desktop, interactive dashboards, KPI reporting, data visualization, drill-down reports
- **Data Quality:** Data review, quality assurance, data annotation, data labeling
- **Analytics & Communication:** Analytical skills, decision-making, attention to detail, written/verbal communication, stakeholder reporting
- **Programming:** Python (data analytics fundamentals)

PROJECTS

Sales Data Analysis using Excel & Power BI **GitHub**

- Cleaned and validated sales data, built KPI dashboards, and identified sales and regional trends.
- Compared product and regional performance; checked missing values, duplicates, and inconsistent entries.

Advanced Excel Data Analysis **GitHub**

- Used PivotTables, XLOOKUP, formulas, sorting, filtering, conditional formatting, and validation to summarize data and reduce manual work.

E-Learning Platform Purchase Analysis (MySQL) **GitHub**

- Used SQL joins and aggregations to analyze revenue, learner engagement, and top-performing courses.
- Compared course popularity and revenue contribution, translating results into insights on purchasing patterns.

WORK EXPERIENCE

Senior Escalation Agent | ECPL **November 2025 – July 2026**

- Prepared Excel-based reports and dashboards to monitor KPIs, service-level performance, response timelines, and operational trends.
- Performed root cause analysis on critical escalation cases; analyzed operational data with stakeholders to improve issue resolution and efficiency, supported corrective actions for process improvement, and maintained accurate records and tracked service standards.

Business Development Executive | Biogenics Lifecare **April 2025 – November 2025**

- Conducted market research and analyzed customer and sales information to identify business opportunities.
- Managed sales pipelines and accurate records using CRM tools and Microsoft Excel; collaborated with sales and marketing teams to support business growth and performance targets.

EDUCATION

M.Sc. Biotechnology | CGPA: 6.7/10 **2023–2025**

JAIN University

B.Sc. Biotechnology | CGPA: 8.2/10 **2019–2022**

Dr. G.R. Damodaran College
